REYES ON TOUR

ARUBA!

BY STEVE REYES

When Francis Butler called, I listened. "Hey Reyes, wanna go to Aruba?" "Hey Butler," I replied. "Why? Where in the heck is Aruba? Why on earth would I want to go there?" Being the photographer and man about town, Francis gave me the rundown. Aruba is a neat little tropical island resort that's located 18 miles off the northern end of South America; and guess what, they have drag racing! That did it for me; once a drag race photographer always a drag race photographer. Francis made the arrangements and off we went; fun in the sun and drag racing too!

Upon landing in Aruba (after 10 hours of flying time from Los Angeles) we were greeted by Francis and his local contact/good pal, Theo De Jongh. If you've ever needed to know anything about Aruba, Theo is the guy to ask. Anyway, the race we were attending was billed as
